COULDN'T STAND FOR DEFEAT

According to London Newspaper, Colored Opponent of Irishman Had Little Chance.

A brawny son of Erin was acting as time keeper in a rough-and-ready fight between his mate and a negro in South America. In the course of the fight a well-planted blow sent the Irishman earthwards.

"One!" cried the time keeper, in a loud voice, watch in hand.

"Two!" he murmured hoarsely. "Pat, ye foot, git up! There's only eight seconds left!"

The inert man never moved.

"Three!" shouted the time keeper desperately. "Think of yer old mother, Pat! What's it she'd be saying to ye. Bats the nigger!"

Slowly he called up to eight, bucking up his mate with patriotic ejaculations between each long second. When eight had been called Pat slowly staggered to his feet, and by a mighty lunge succeeded in knocking down his black opponent.

Desperately fearing lest he should revive in time, the time keeper set off at top speed:

"One, two, three, four, five, and five's ten! Ye're out, ye black villain!"

Sick Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R. I.—"For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine."—Mrs. S. T. RICHMOND, 199 Waldo Street, Providence, R. I.

A Minister's Wife Writes:

CLOQUET, MINN.—"I have suffered very much with irregularities, pain and inflammation, but your wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has made me well and I can recommend the same to all that are troubled with these complaints."—Mrs. JANE ZIE ABERMAN, c/o Rev. K. ABERMAN, Cloquet, Minnesota.

From Mrs. J. D. Murdoch, Quincy, Mass.

SOUTH QUINCY, MASS.—"The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living."—Mrs. JANE D. MURDOCH, 25 Gordon St., South Quincy, Mass.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
